

On January 7 (Sunday) , 2024, at Community Center Yamanami a jamboree of 20 agers was opened. As the age of adulthood was lowered owing to the revision of Civil Law, since last year the name was changed to “Jamboree of 20 agers.” As the 2nd year of this jamboree, 19 people met this turning point, and 15 people assisted at the ceremony. At the ceremony many people as the teachers in charge of Higashi-Chichibu Middle School 3rd year and pupils parents assisted. Ceremonial words were given by the guests as the village chief Adachi. Mr. Masateru Sekine and Ms. Ruru Imai received as the representatives the remembrances of the ceremony from the election administration committee of the village. Finally Mr. Hayato Saito, as the representative of twenty agers, gave the words of gratitude, and swore future enthusiasm. We do wish your happy future activities.
