

On March 28 (Thursday), 2024, at Shiroishi Kindergarten, graduation ceremony of the year Reiwa 5(year 2023) was effected Making many memories with their friends, being watched over by teachers and parents, the grown-up children in somewhat tension mood received firmly by their hand the graduation certificate. The cover of our public relations May edition shows the children who graduated the kindergarten and entered in Tsukigawa Elementary School. It is our pleasure to see further growing to be made by the children who made a new step.
