

During August 20(Tuesday) to 26(Monday), 2024, Travelling Musabi Project the 3<sup>rd</sup> version was effected. The students of Musashino University of Arts, who cocluded the regional Collaboration Agreement with Higashi-Chichibumura, stayed in the village and interacted with the villagers. This special issue presents you the contents done in “Travelling Musabi project”.

#### Schedule

August 21(Wednesday) interaction with members of Chigo-yuri-no-kai.

August 22(Thursday) and 23(Friday) Making colorful umbrellas at Washi-no-ko Children club

August 25(Sunday) Workshop

August 21(Wednesday) interaction with members of Chigo-yuri-no-kai

5 students of Musashino University of Arts, and 8 Chigo-yuri-no-kai, participated, with purpose to exchange through “Eating”, in the activities of Soba noodle making experience, Haiku and Tanka (Japanese short poetry and Japanese lyric poetry) making and senryu (Japanese comic poetry) making. The people from Chigo-yuri-no-kai and students from Musashino University of Arts passed a happy and meaningful time, learning by seeing and learning by hearing.

Regional flavors are happily made, putting their heart and soul in them and enjoy eating them!

( 1 / 2 )

“Knead the dough, flatten the dough, and cutting them evenly” - people from Chigo-yuri-no-kai teach each job courteously, and each Musabi alumno worked on them very seriously. Finally they ate together the food they made saying “very delicious”. All the participants passed a peaceful time.

Musabi alumnos enjoyed Higashi-Chichibumura flavor!
