On September 24 (Tuesday), 2024, a seminar on school guard was opened at Higashi-Chichibumura village hall. We welcomed seargent Hiroya Katayama of Ogawa Police Office Tsukigawa branch as the lecturer. He lectured the effective cases on talking to children, and how to use No.110 telephone and its system, etc.

We will make good use of what we learned in the seminar, and watch over them from afar.
